

GRATEFUL FOR OUR PAST – HOPEFUL IN OUR FUTURE A CAMPAIGN FOR ST. IGNATIUS LOYOLA PARISH & SCHOOL

Easter Week, 2018

Dear Friends of St. Ignatius:

Today as I write you, the walls of our new school and parish offices are being raised. Just as those who went before us some sixty years ago were so generous and had such foresight to plan for us, so today these buildings are a sign of the resurrection and a preparation of the future for generations that will follow us.

Planning for the future, for our own families and those who come after us is at the heart of our faith. It is part of the vision of sharing the Gospel and being responsible for the gifts with which the Lord has blessed us.

As part of this effort to think ahead, we are offering a morning presentation on Estate Planning Thursday, April 26th from 9:00-10:30am in the Rose Room hosted by three gifted members of our local Catholic community:

- Tom Frame, a parishioner of St. Ignatius for some 30 years, has a forty-year legal career mostly with small firms or solo-practitioners focusing in areas of land title, mineral rights and estate planning and probate, in the latter area almost exclusively for the last 10 years or so.
- Patrick Kozlowski is a local CPA in practice for over 30 years. He has extensive tax practice. He is also a long-time parish member, having two children graduated from St. Ignatius Parish School, and currently serves on the parish Finance Council.
- Dexter Parulan is a Vice President, Financial Advisor at Morgan Stanley. For more than a decade, Dexter has helped individuals, families and businesses identify, plan and realize their financial goals through comprehensive financial planning.

Tom, Patrick and Dexter will be sharing their financial wisdom and responding to your questions concerning opportunities to both prepare for your own future and that of your faith community. Please RSVP if you would like to attend to our Campaign Administrator, Sue Kneer, at 916-482-9666 x234 or skneer@stignatiussac.org.

Looking forward to having you join us, and be assured of our prayers for you and your family during this season of the resurrection.

Christ's Easter peace,

Mike Moynahan, S.J.

Fr. Michael E. Moynahan, SJ
Pastor, St. Ignatius Parish
